Allergen information for all our food is available on request

Here we're passionate about the food that we serve . . .

Where possible we use the freshest local produce we can find. From Amato Italian Foods, Taylors family butchers, Thatchers Bakery and 'Out of the Blue' for our fish.

Check out our separate children's menu. Plus we have a great range of seasonal drinks on our chalk boards, from locally brewed beers, ciders & wines to fresh made shakes, smoothies & iced drinks. We also have the most delectable Teas, supplied by Teapigs & locally roasted coffee from our friends at the Heart & Graft Roastery in Manchester.

Simply order your food at the till & we'll give you a table number. Our food is freshly prepared, so at busy times it can sometimes take a little longer. We're always happy to give you an idea of the wait.
